A Note From The Executive and Artistic Director

## Welcome to the Titusville Playhouse and 9 TO 5, The Musical

I am so happy to welcome you to the start of our 59th Season! I am looking forward to an incredible year of shows and the opening of our new SHULER PAVILION. Along, with great shows this season, I am already planning our 60th Season. Speaking of our upcoming 60th Season, one of the first steps of that DIAMOND celebration is our new logo and brand changes. I hope you have an opportunity to experience the new website. If not, please take a moment and visit it as we add more content and information about the Titusville Playhouse on the website throughout the year.

9 TO 5, The Musical is such a fun night at the theatre. I remember seeing the movie so many years ago. Can you believe it came out in 1980? I was only 10 and never saw it in the movie theatre, but I did see it on the good old reliable VHS from our local video store. I remember laughing and just enjoying the comedy of that incredible movie, and who can ever forget singing 9 TO 5 in the car? As I planned our 59th Season, I wanted to kick the season off with a show that is just pure fun and joy to watch. I hope you find this is a perfect choice to start our season.

I have to tell you now this incredible cast is just that... INCREDIBLE! I have had so much fun directing this show. There are so many new faces that auditioned for this show and I am happy they are here sharing their talents with us. I have one of the best jobs in the world as I get to see the shows take shape from nothing to some amazing moments on our little stage. You will see that this cast has worked very hard to bring the movie we all love to the stage, and I hope you can escape for a couple hours and forget about your 9 to 5 as you enjoy ours!

I want to give a HUGE shoutout to everyone that I get to share each day with. The staff and crew of the Titusville Playhouse always goes above and beyond. Their attention to detail is amazing, and I am truly lucky to have their creative talents bring show after show to life! THANK YOU SO MUCH!!

Lastly, I don't say it enough but we are a Not For Profit 501c 3. As we grow, we can only survive on ticket sales for so long so please consider what your tax-deductible membership or donation can do to help your non-profit theatre. I want to thank you for joining us and most importantly for sharing your time with us!

### ***The Art of Healing – A Healing Partnership***

Art, long recognized as an aid in healing, takes center-stage in a unique partnership between Parrish Medical Center | Parrish Healthcare and The Titusville Playhouse.

In 2016, we created a groundbreaking partnership that serves as a model for how organizations like the Playhouse and hospitals can work together to improve the quality of life within a community.

As part of our partnership, we purchase all unsold tickets for shows at the playhouse to give to individuals fighting cancer, living with a chronic health condition, or simply in need of a healing experience.

Why do we do this?

Because in a time of need the gift of the performing arts — storytelling, singing, dancing, acting, or playing musical instruments —is priceless!

Enjoy!
