TITUSVILLE PLAYHOUSE

A Note From The Executive and Artistic Director

Welcome to the Titusville Playhouse and **MAY WE ALL, A New Country Musical**

I am so happy you have joined us for MAY WE ALL. We are one of the first theatres in the country to perform this show. MAY WE ALL is about a small town, Harmony, Tennessee. The thing that drew me to this show is the sense of community expressed throughout the show. I grew up in a small town in Alabama where I graduated with 96 people; 78 of us started first grade together. You can imagine how everyone knew everybody and everyone's business. Yet, what is wrong with that? I don't think anything is wrong with that. It was a simpler time, if anyone fell on hard times or needed help there was always someone in our town to step-up and lend a hand. I have been telling stories to the cast of small town life, some can't even fathom what we didn't have. The easy things, like a color TV, which my oldest brother bought the family for Christmas when he had his first job in 1978. The year we finally got a private line and not a party phone line 1976, this was a necessity because my brothers were dating and were on the phones constantly. I love where technology has brought us, but why can't there be a happy medium between the two?

Today I challenge you to take the time during the show to escape. Put your phones away, maybe talk to your neighbor or shake a hand of someone you don't know. MAY WE ALL is about community and people, so let the story inspire you and may it bring a smile and joy to you as you remember the amazing music and message this show brings. I would be remiss for not saying a HUGE THANK YOU to this cast, and creative team. The cast is amazing and sound so good bringing this country music to life! I am not typically a country music fan, but I am now a converted fan!

I announced our 60th Season in January and I hope you are as excited about all the new shows on our Mainstage in 2024 and 2025. You should know that it is through YOUR support that we are able to continue to grow and lead the arts community here in Brevard and across all of Central Florida. If you are not a Season Ticket Holder please join us as all the shows in this upcoming season are ones that you will not want to miss. Now is your opportunity to get some of the best seats in the house, at the best price before opening to the general public. So join us!!

I want to thank you for joining us and most importantly for sharing the most important thing we all possess, your time! I hope to see you for our final show of this season!

The Art of Healing – A Healing Partnership

Art, long recognized as an aid in healing, takes center-stage in a unique partnership between Parrish Medical Center | Parrish Healthcare and The Titusville Playhouse.

In 2016, we created a groundbreaking partnership that serves as a model for how organizations like the Playhouse and hospitals can work together to improve the quality of life within a community.

As part of our partnership, we purchase all unsold tickets for shows at the playhouse to give to individuals fighting cancer, living with a chronic health condition, or simply in need of a healing experience.

Why do we do this?

Because in a time of need the gift of the performing arts — storytelling, singing, dancing, acting, or playing musical instruments —is priceless!

Enjoy!
