# TITUSVILLE PLAYHOUSE

A Note From The Executive and Artistic Director

## Welcome to the Titusville Playhouse and **ALTAR BOYZ!**

I am so excited that you have joined us here for **ALTAR BOYZ!** An incredibly fun and exciting way to end our 60th Season here at the Titusville Playhouse.

**ALTAR BOYZ** opened Off-Broadway in March 2005 and closed in January 2010, the 9th longest running Off-Broadway show in history. When it opened in 2005 I had just moved out of New York City and was the Producing Artistic Director of The Cabaret Dinner Theatre in Grand Junction, Colorado. I was back in NYC for auditions and just happened to go see this new show people were talking about, **ALTAR BOYZ**. I was immediately hooked! I laughed the whole time and left the theatre thinking what an amazingly clever show. The show does not take itself too seriously as it transported me back to the world of 80's/90's music videos and boy bands. What I thought made the show so clever is how the writers were able to throw in the religious twist while being respectful to religion as a whole. Yes, the group is Catholic but even myself, raised a Southern Baptist, could relate and find so much to enjoy in the show. Lets just say I became slightly obsessed and was lucky my friend Carl White was one of the Producers and General Manager for **ALTAR BOYZ** so I was always able to go over a dozen times and get my heavenly dose of laughter. (I also have a funny story about Carl and **ALTAR BOYZ** and another show he was producing at the time, if you see me out and about ask me, if you're brave enough.) Needless to say I have been wanting to present **ALTAR BOYZ** here at the Titusville Playhouse for years and I am so happy to finally share a show that has brought me such joy.

I brought in my friend Kenney M. Green-Tilford to direct the show. We first met and worked together back in 2005 at The Cabaret Dinner Theatre when we played brothers in the show **Forever Plaid**. He has done such an incredible job with this talented cast, bringing the show to life on our stage. I know you are going to love the work they are presenting tonight. I also have to mention the amazing work of this design team. The set, costumes, lighting, props, and video became the icing on top of this beautiful cake.

Since this is the last show of our 60th Season I would like to take the opportunity to thank our interns that have spent the last year making beautiful theatre with us. Many of you may not know but ten years ago I hired our first intern, Niko Stamos, and the intern program has only blossomed since. Now we bring in 4-6 recent college theatre graduates to contribute their amazing talents and continue to grow in this industry. I would like to say a big THANK YOU to **Helouise Duna, Anthony Gjellaj, Garrett Holt, Samantha Grace Sostak, Kara Jean Spindle** for sharing their time and talents with us this season. I will miss you all and look forward to seeing what you do next! You will always be part of our Playhouse family!

I can't thank you enough for your support this season and, most importantly, the sharing of your time. Enjoy the show, and I will see YOU at the theatre soon!

**THANK YOU!**

### ***The Art of Healing – A Healing Partnership***

Art, long recognized as an aid in healing, takes center-stage in a unique partnership between Parrish Medical Center | Parrish Healthcare and The Titusville Playhouse.

In 2016, we created a groundbreaking partnership that serves as a model for how organizations like the Playhouse and hospitals can work together to improve the quality of life within a community.

As part of our partnership, we purchase all unsold tickets for shows at the playhouse to give to individuals fighting cancer, living with a chronic health condition, or simply in need of a healing experience.

Why do we do this?

Because in a time of need the gift of the performing arts — storytelling, singing, dancing, acting, or playing musical instruments —is priceless!

Enjoy!
