## A Note from the Executive and Artistic Director

### Welcome to the Titusville Playhouse and **CLUE the Musical!**

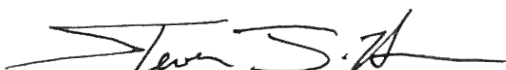

THANK YOU for joining us for the opening of our 61<sup>st</sup> Season here at the Titusville Playhouse. Along with being the start of the 61<sup>st</sup> Season it is the start of my 14<sup>th</sup> year here at the Playhouse. I was hired in July of 2011 specifically to lead revitalization and growth of the Titusville Playhouse, a vision the Board of Directors had 14 years ago. I am so proud to have been a part of that vision and, as we continue to grow, I still hold onto the thought that we can always challenge ourselves and become better with entertaining and engaging our community. We have more than 42,000 people through the doors every year, surprisingly with over 40% coming from outside of North Brevard. **I take so much pride in knowing that we are bringing people to Titusville for entertainment in turn experiencing the magic of downtown, positively impacting on our community.** Through the years we have built a rich history of art and education in North Brevard, but over the past few years we have grown by making a name for ourselves in the theatre community regionally and nationally. It is both shocking and humbling to run into people that know of Titusville Playhouse's reputation of excellence and quality when traveling around. We, as a community, are so blessed to have artists come in and share their talents with us; giving Titusville and Central Florida world class entertainment.

Creating a new reputation for our small theatre has had many challenges. I am happy that, even though we still have challenges, we are reaping some benefits for the community. Last season we premiered a new Christmas Musical **What A Wonderful World**. Though you will not see that show this Christmas at other theatres, it will be released in January of 2026 under a new name **The Santa Switch**. When that show plays at theatres across the country they will give credit to the Titusville Playhouse on every title page, growing our name and reputation in communities across the country. This reputation has allowed us to be offered many productions before they are able to be presented elsewhere along with opportunities like being a part of the creative process of reworking existing theatre projects along with access to new titles.

When ILP (International Literary Properties) acquired **Clue, The Musical** Titusville Playhouse was on their minds to improve and modernize the show. When developing we wanted to take the show and make the evening more interactive and technical, without losing the fun of the classic board game. We were given the artwork and brand guides from HASBRO for the board game and we were able to bring it new life on the stage. This cast and the Creative Team have done an AMAZING job at working and rolling with the changes and I can not be more proud. Our actors, as always are incredible and I thank each one of them for sharing their talents with us. The Creative Staff here at the Titusville have done above and beyond amazing work on this show. Our very own Spencer Crosswell has expanded the original orchestrations and they will go on tour in 2026 throughout the U.K. It is incredible to share first looks of what people around the world will be experiencing with you here in Titusville.

I can't thank you enough for your support this season and, most importantly, the sharing of your time. Enjoy the show, and I will see YOU at the theatre soon!

**Thank You!**

## **A Healing Partnership Between Titusville Playhouse and Parrish Healthcare**

Art has long been recognized as a powerful tool in the healing process. Since 2016, Parrish Healthcare and Titusville Playhouse have proudly partnered in a one-of-a-kind collaboration that highlights how health care organizations and the arts can come together to uplift and strengthen a community.

Through this meaningful partnership, Parrish Healthcare purchases all unsold tickets for Titusville Playhouse performances and gifts them to individuals who are battling cancer, living with chronic health conditions or simply in need of a healing experience.

Why do we do this? Because during life's most challenging moments, the gift of live performance—through storytelling, music, dance and drama—can offer comfort, hope and healing in ways that medicine alone cannot.

We hope you enjoy today's performance and wish all in our community continued good health and wellness.
