TITUSVILLE PLAYHOUSE

A Note from the Executive and Artistic Director

Welcome to the Titusville Playhouse and DISNEY'S FROZEN

THANK YOU for joining us for another production here at the Titusville Playhouse and our 61st Season of bringing Broadway to Brevard! Tonight, we are thrilled to be the only theatre in Central Florida to share with you Disney's *FROZEN: The Broadway Musical*! What better way to celebrate and kick off the Holiday and Christmas Season than with this spectacular show that captures the magic, wonder, and heart of a simpler time. After the record-breaking success of the 2013 animated film, it was no surprise that Disney Theatrical Productions would bring *Frozen* to the stage. With music and lyrics by Kristen Anderson-Lopez and Robert Lopez, and a book by Jennifer Lee—the screenwriter and co-director of the film—*Frozen* made its Broadway debut in March 2018 at the St. James Theatre. In fact, the St. James stage had to be remodeled and expanded just to support *Frozen*! The production dazzled audiences with breathtaking effects, soaring vocals, and emotional storytelling centered on the powerful bond between two sisters.

I had so many friends who saw the Broadway production shortly after it opened, and like so many others, they were struck not only by the visual magic but by the heart of the story. Beyond the spectacle, *Frozen* is a story about love—familial, romantic, and selfless—and the courage it takes to embrace who you truly are. That message continues to resonate with audiences of all ages and feels especially poignant during this season of connection and reflection.

Bringing this production to the Titusville Playhouse has been both a monumental task and a joyous one. I'd like to extend a HUGE thank you to our extraordinary creative team, whose vision and dedication have helped us capture both the icy grandeur and emotional warmth of *Frozen*. Our cast has poured their hearts into every note and every moment, and our crew and staff have worked tirelessly behind the scenes to bring the world of Arendelle to life right here on our stage. I would be remiss not to say a HUGE THANK YOU to my Co-Director, Niko Stamos, who always challenges me—and the entire team—to go above and beyond. The cast, crew, and creative team have given their all to create an experience that I hope will leave an impact on you.

Most of all, I want to thank you, our audience, for your continued support of live theatre and the Titusville Playhouse. Every time you join us, you keep the magic alive. Whether you're experiencing *Frozen* "For the First Time in Forever," or you've sung along with "Let It Go" a hundred times, I hope tonight you're reminded of the enduring power of love, sisterhood, and a little bit of theatre magic.

Enjoy the show—and as always, thank you for sharing your time and this adventure with me!

Thank You!

A Healing Partnership Between Titusville Playhouse and Parrish Healthcare

Art has long been recognized as a powerful tool in the healing process. Since 2016, Parrish Healthcare and Titusville Playhouse have proudly partnered in a one-of-a-kind collaboration that highlights how health care organizations and the arts can come together to uplift and strengthen a community.

Through this meaningful partnership, Parrish Healthcare purchases all unsold tickets for Titusville Playhouse performances and gifts them to individuals who are battling cancer, living with chronic health conditions or simply in need of a healing experience.

Why do we do this? Because during life's most challenging moments, the gift of live performance—through storytelling, music, dance and drama—can offer comfort, hope and healing in ways that medicine alone cannot.

We hope you enjoy today's performance and wish all in our community continued good health and wellness.
