TITUSVILLE PLAYHOUSE

A Note from the Executive and Artistic Director

Welcome to the Titusville Playhouse and **THE PRINCE OF EGYPT**

There are stories that entertain us – and then there are stories that define us.

The Prince of Egypt is one of the most enduring narratives ever told. It is a story of identity, courage, liberation, and faith. It asks timeless questions: Who am I? What am I called to do? How do we find the strength to stand up for others? These questions resonate just as powerfully today as they did thousands of years ago.

Bringing this epic musical to our stage has been both an artistic adventure and a profound responsibility. At its heart, this musical is about humanity – about two brothers shaped by love yet divided by destiny. It reminds us that leadership requires sacrifice, compassion requires courage, and freedom requires action.

Creating a production of this scale is no small undertaking. From its soaring Stephen Schwartz score to its sweeping visuals and emotionally rich storytelling, *The Prince of Egypt* demands artistry, collaboration, and heart. I am incredibly proud of our visionary creative team here at the Titusville Playhouse, whose dedication to excellence has shaped every breathtaking moment you see on this stage. Their dedication has elevated this production into something truly unforgettable. To our remarkable cast – I can only say thank you for bringing such depth, passion, and humanity to these iconic roles. Their performances remind me why live theatre is irreplaceable. And to our technicians, volunteers, and staff – your talent behind the scenes makes the magic possible night after night. This production stands as a testament to what can happen when a community of artists works in harmony.

As we celebrate this extraordinary show, we also look ahead with excitement to our remaining shows in our **61st Season** *Spring Awakening* and *1776*, and our outstanding upcoming **62nd Season** at the Titusville Playhouse. For more than six decades, Titusville Playhouse has been a cornerstone of arts and culture in our region. The stories we tell matter – and the best is still to come.

Most importantly I want to thank you for all your support, trust and as always, the sharing of your time. Early in my career someone told me that in the theatre “we can always return people’s money, but we can never return their time, so make every moment matter” and each show I am reminded of this. It is always my hope that your time here at the Titusville Playhouse matters; thank you for being part of the Playhouse family.

Thank You!

Steven J. Heron, Executive & Artistic Director

A Healing Partnership Between Titusville Playhouse and Parrish Healthcare

Art has long been recognized as a powerful tool in the healing process. Since 2016, Parrish Healthcare and Titusville Playhouse have proudly partnered in a one-of-a-kind collaboration that highlights how health care organizations and the arts can come together to uplift and strengthen a community.

Through this meaningful partnership, Parrish Healthcare purchases all unsold tickets for Titusville Playhouse performances and gifts them to individuals who are battling cancer, living with chronic health conditions or simply in need of a healing experience.

Why do we do this? Because during life's most challenging moments, the gift of live performance—through storytelling, music, dance and drama—can offer comfort, hope and healing in ways that medicine alone cannot.

We hope you enjoy today's performance and wish all in our community continued good health and wellness.
